Sir:

PETITION UNDER 37 C.F.R. 1.182

FOR CHANGE OF INVENTOR NAME FROM INTERNATIONAL APPLICATION

This petition is submitted in accordance with MPEP § 1893.01(e), which outlines the procedure for handling the situation where the name of an inventor indicated on an international application during the international phase has changed such that the inventor's name is different from the corresponding name indicated in an oath or declaration submitted under 37 C.F.R. 1.497.

I am an inventor on the above-referenced patent application, which claims priority to an international application. My name is indicated as Anne Greene on the international application. However, due to marriage, my legal name is now Anne Hicks.

I hereby petition the Office to accept my previously-submitted Declaration, which indicated that my name is Anne Hicks.

Anne Hicks, Inventor
